TOUR #1

VENICE, CINQUE TERRE, & FLORENCE SEPT. 20 - 27, 2018

THURSDAY, SEPT. 20 - SATURDAY, SEPT. 22

Venice

The tour starts on the afternoon of the 20th. While in Venice, you will have the opportunity to visit famous sites such as St. Mark's Square, the Doge's Palace, and Rialto Bridge. Father Bruno will also lead you to some very special, less-known areas of the city that contain beautiful architecture and art and abound with history. Frequented primarily by locals, you will not find these places in your Italian Guidebooks!

SATURDAY, SEPT. 22 - TUESDAY, SEPT. 25

Cinque Terre

Cinque Terre is a series of cities nestled along the Mediterranean coastline. There will be cappuccinos to drink, pasta to eat, and views to enjoy. Some travelers will choose to spend much of their time in Cinque Terre hiking with Father Bruno. Others will elect to spend time exploring the towns via train or boat and enjoying the beaches and coastline. Visiting Porto Venere - the sixth (and less well-known) city is often a highlight of this portion of the tour.

TUESDAY, SEPT. 25 - THURSDAY, SEPT. 27

Florence

On your way to Florence, we will likely stop in Pisa to "lean with the tower." Then, you will be off to explore Father Bruno's old stomping grounds. Florence, with its rich history and incredible art and architecture, is a delightful place to end our first tour. In Florence, we will walk with Father Bruno as he highlights some of this city's most amazing treasures and history. Some of the must-see stops will be the Duomo, Ponte Vecchio, and Academy where Michelangelo's "David" is on display. There will also be time for shopping in Florence's famed markets. Our time in Florence often includes special adventures such as a private tour of a leather shop, a visit to Fiesole, or a walk through the less-known parts of the city, hearing stories about the Medici Family and Michelangelo's childhood.
