

# GREEK ISLES TOUR

*Congratulations!* You've made a great decision to join us on an adventure to the Greek Isles. As with all of our tours, you will discover places that only the locals know and experience some things that aren't in your guidebooks! It's going to be a blast and we are so excited to share with you these incredible Greek Isles!

**SUNDAY, JUNE 24TH - MONDAY, JUNE 25TH**

## Athens

The tour starts on the afternoon of the 24th in Athens, the capital of Greece. Athens is brimming with ancient landmarks from as early as the 5th century B.C. and, in many ways, is the birthplace of modern, Western civilization. During your time in Athens, Father Bruno and Elida will lead you on walking tours where you will have opportunities to explore ancient ruins, hike to a beautiful monastery for some incredible views, and enjoy some great Mediterranean food.

**TUESDAY, JUNE 26TH - FRIDAY, JUNE 29TH**

## Paros

On Tuesday, you will hop on a ferry with us and head to Paros. Paros is a beautiful Greek Isle that filled with stunning beaches and rural villages. In Paros you will have the opportunity to soak up the sun on the beaches, visit traditional villages, and explore the island on foot, by bus, or by scooter. This is the place to get some R&R and get to know a beautiful Greek Isle that isn't overrun with tourists.

**SATURDAY, JUNE 30TH - MONDAY, JULY 2ND**

## Santorini

The final stop on our tour is Santorini. This beautiful isle is what the Greek Isles are all about - a rugged landscape dotted with bright-white houses overlooking the blue sea. When you picture the Greek Isles, Santorini is what you are imagining. While here Elida and Father Bruno will take you on

a private tour of the island where you will visit famous beaches, shop at beautiful local shops, and visit an incredible winery with unparalleled views. There will be opportunities for exploring local artwork, hiking, gondola rides, and even a chance to climb to the top of the island aboard a donkey!

The tour ends on the morning of the 2nd. Keep the memories of your adventure close to your heart and try to keep your tan for at least a few weeks!
